SWACHHTA AWARENESS MESSAGE

Dear Students and Parents

Cleanliness drive for Swachh Bharat in accordance with cleanliness drive started by our honorable Prime Minister Mr. Narendra Modi. Schools play a vital role in spreading the Swachhta awareness and implementation 'A clean India' would be the best tribute that India could pay to Mahatma Gandhi on his 150th birth anniversary'. Good health is a blessing. It is life itself. Keeping this thing in mind, cleanliness should be given priority in all the homes from the childhood. We should promise ourselves that we will keep it clean. As we all know we live in a very big country so we should take the responsibility of its cleanliness. Being the future of the country, students can lead the 'clean India Campaign' to initiate cleanliness in the surrounding areas and make this drive a successful Campaign. 'Don't waste & me, follow your duty to maintain India's beauty'.
