With reference to the circular No. CBSE/SECY/SPS/2019/, dated 01-10-2019, from CBSE, Shiksha Kendra, SaaI Memorial Girls School, Sai Bhawan, Geeta Colony, Delhi - 110031, conducted various activities to make students aware about the cleanliness/hygiene

In order to sensitize the students about waste, the teachers guided them about the usage of blue and green bins, classification of waste and how they can use the waste wisely and reuse it. The students showed their creativity in the 'Best out of Waste' activity that helped in learning the ways to reuse the waste material.

Unusable equipments were completely removed from the school.

The school organized Painting Competition, Essay Writing Competition, Poem Recitation, Slogan Writing and 'Nukkad Natak on cleanliness. The Principal Dr. Mrs. Meenakshi Keswani addressed the students and motivated them to keep their surroundings clean.

The students planted saplings in the school premises and near about areas.

CBSE-TERI Green Olympiad 2019 was conducted on 16-10-2019 in the school premises and the students of class IV to X took part in it.

The message is given to the students that "The objective of cleaning is not just to clean but to feel happiness living within that environment".
