HOLIDAYS HOMEWORK (2019-20)

SCIENCE

Class VIII

I. Waste no more waste..!

Lets take an initiative to reduce the ever increasing plastic waste and Convert it into something useful.

- ❖ Reuse/recycle plastic waste into something useful. Be creative and come up with some unique ideas!

II. Yum yum preservation..!

Food needs to be preserved from microbes. So let us try a little activity to see how preservation can be done. (You can use salt, sugar or oil to preserve various things like pickles, jellies, jams etc.)

III. Remember to study...!

Studies being the essential part of student's life, should be given due importance.

- ❖ So, revise chapters 1,2,3 and 5 for pre mid test examinations.

😊Happy vacation😊
